Total Depots

2

Total Value

Rs 1,35,75,000

Low Stock Items

0

Performance Score

75/100

Good

Key Insights

1. No low stock or out-of-stock items, indicating effective inventory management
2. Recent transactions suggest a healthy and active supply chain
3. Total value of ₹11,35,75,000 implies significant inventory investment
4. Two depots are managing the inventory, potentially allowing for efficient distribution

Recommendations

1. Continue monitoring inventory levels to maintain the current no-low-stock status
2. Analyze recent transactions to identify trends and optimize inventory replenishment
3. Consider expanding product lines or depots to increase total value and reach
4. Review depot operations to ensure they are running efficiently and effectively
